

**What will happen next:**

- The @KinimaeGames X/Twitter account will temporally have its golden checkmark changed to a regular checkmark.
- You will hear less from us on our official social media, but we still will have a social media manager to entertain you, while we work on our top-notch game.
- The customer support queue might take longer than usual, but still, feel free to email us at [support@kinimaegames.com](mailto:support@kinimaegames.com).
- Look forward to our return with the best games crafted specifically for you!
